

Camp Seale Harris Mobile Day Camp Additional Information

- **The Blood Sugar and Insulin Record should be brought to camp with your child.** Use this form to keep a record of your child's blood sugars and insulin dosages for the week prior to coming to camp. This is very important information about how blood glucose levels have been running and current treatment and will help us understand more about your child's diabetes.
- **Also included in the packet is a "What to Bring to Camp" list and driving directions to camp.**
- **Check in date and time:**

Monday, July 26, 8:30 AM

Please note that camp personnel will not be onsite until 8:30 AM.

Camp hours are 8:30 AM-4:30 PM daily Monday, July 26 - Friday, July 30.

*There will be a parent program at **3:00 PM** on Friday, July 30
Please Note Earlier Time

Check out WILL NOT begin before the scheduled check out time.

Staff will vacate camp immediately following check out.

Lunch and snacks will be provided each day.

Limited transportation may be available for campers living in or near the areas of Spanish Fort and Mobile. If you wish to take advantage of this possible opportunity, please contact our office at 205-402-0415 or sarah@campsealeharris.org.

What to Wear, What to Bring, and Directions to CSH Mobile Day Camp

What to Wear Each Day: Masks will be required during most times at camp – please make sure that your camper has at least one mask with them each day. Please wear comfortable clothing such as shorts, jeans, T-shirts, etc. Activities will be conducted inside and outside throughout the day. Please wear clothes that will not be hurt if soiled. **Tennis shoes with socks are required.**

Bring a Swimsuit, Towel, and Flip Flops/Watershoes: We ask that 1-piece suits be worn that provide a reasonable amount of coverage (this can include tankinis that have the coverage of a one-piece). Put your child's name on the towel.

Prescription Medications: Turn in to the nurse each day at check in. Bring in original container labeled with child's name, drug name, dosage, physician's name, and pharmacy name and phone number.

Insulin Pump, CGMs, Equipment and Supplies: If your child uses an insulin pump or continuous glucose monitor, you will need to bring all sets (including extra sets just in case), syringes, IV prep, tape for sets, set injector if used, spare batteries, and anesthetic crème, if used (camp will provide insulin, if needed). These supplies should be in a bag marked with the **child's name in bright bold letters.**

What Not to Bring

Blood Glucose Monitors or Strips (provided by camp)

Insulin Pens, syringes, insulin vials (provided by camp)

Electronic Toys

Cell Phones, pagers, or other communication devices

Any form of tobacco/nicotine (chewing, smoking, or vaping)

Alcohol or non-prescribed drugs/medications (without a physician's note).

A physician's note must accompany any over-the-counter medication including pain relievers, allergy medication, vitamins, supplements, etc.

NOTE: As we all know, working with numerous children, we as staff and counselors cannot always keep up with each child's personal belongings. It is better to leave these items at home.

Directions

Camp will be held at:

Camp Grace
11081 Wanda Drive
Mobile, AL 36608

From I-65, take the Airport Hwy Exit #3 / CR 56 West, and go 10.3 miles.

Turn right on Eliza Jordan Road, South, and go 1.3 miles.

Turn left on Elnina Drive. Stay straight to go onto Wanda Drive. Camp Grace is at the end of Wanda Drive.
