

Camp Seale Harris Huntsville Day Camp Additional Information

- **The Blood Sugar and Insulin Record should be brought to camp with your child.** Use this form to keep a record of your child's blood sugars and insulin dosages for the week prior to coming to camp. This is very important information about how blood glucose levels have been running and current treatment and will help us understand more about your child's diabetes.

- **Check in date and time:**

Monday, June 27, 8:30 AM

Please note that camp personnel will not be onsite until 8:30 AM.

Camp hours are 8:30 AM-4:00 PM daily Monday, June 27 - Friday, July 1.

Parents are invited to a Camper Award Program on Friday at 3:00 PM. Check out WILL NOT begin before the scheduled check out time.

Staff will vacate camp immediately following check out.

Lunch and snacks will be provided each day.

What to Wear and What to Bring

What to Wear Each Day: Please wear cool, comfortable clothing such as shorts and T-shirts. It will be hot and many activities will take place outdoors. Please wear clothes that will not be hurt if soiled. Please put your child's name on all belongings.

Tennis shoes with socks are required.

Bring a Swimsuit, Towel, and Flip Flops/Watershoes: Due to the type of water activities we recommend tankinis/one-pieces for girls and swim shorts (not speedo) for boys. If your child burns easily a rash guard (swim shirt) would also be a great choice. Put your child's name on all belongings

Prescription Medications: Turn in to the medical staff each day at check in. Bring in original container labeled with child's name, drug name, dosage, physician's name, and pharmacy name and phone number.

Insulin Pump, CGMs, Equipment and Supplies: If your child uses an insulin pump or continuous glucose monitor, you will need to bring 1-2 sets (these will be extra sets just in case), syringes, IV prep, tape for sets, set injector if used, spare batteries, and anesthetic cream, if used (camp will provide insulin, if needed). These supplies should be in a bag marked with the **child's name in bright bold letters**. *If using a cell phone as a receiver please see below.**

What Not to Bring

Blood Glucose Monitors or Strips (provided by camp)

Insulin Pens, syringes, insulin vials (provided by camp)

Electronic Toys

Cell Phones, pagers, or other communication devices. **Day campers using CGMs may use their cell phones but can only for the CGM function (they are not allowed to use their phone for other purposes) and the Share/Follow functions will be turned off during camp hours.*

Any form of tobacco/nicotine (chewing, smoking, or vaping) or alcohol

Non-prescribed drugs/medications (without a physician's note).

A physician's note must accompany any over-the-counter medication including pain relievers, allergy medication, vitamins, supplements, etc.

NOTE: As we all know, working with numerous children, we as staff and counselors cannot always keep up with each child's personal belongings. It is better to leave these items at home.
