# THE IMPACT

---

The 2025 Diabetes Walk for Camp Seale Harris makes an immediate impact by helping children with diabetes and their families attend Camp Seale Harris programs including: day camps, overnight camps, teen programs, and family support.

At Camp Seale Harris, children learn critical diabetes care skills and receive the peer support and inspiration needed to survive and to reach their full potential. Until there is a cure, Camp Seale Harris helps each child live well.

# TEAM LEADER

---

Thank you for your interest in the Diabetes WALK 2025! You are essential to the success of this event, and your passion for our mission is unmatched. We think you are superstars and we want to help you every step of the way. Here's how to get started:

## 1. CREATE YOUR TEAM AND INVITE MEMBERS

Pick a creative name, and head to [campsealeharris.org/diabeteswalk](https://campsealeharris.org/diabeteswalk) to register and create your team! After you've set up your team page, send your team members to the same site ([campsealeharris.org/diabeteswalk](https://campsealeharris.org/diabeteswalk)) to register and join your team!

## 2. START FUNDRAISING

All donations given through the WALK site will be processed and credited towards the camper of your choice. Share your Team Leader page on social media or in emails to get the word out.

Don't have a camper that your team is benefitting? That's okay! All proceeds raised will be put in the Camp Seale Harris General Scholarship Fund so that all children have access to Camp Seale Harris!

## 3. BE PREPARED FOR FUN!

Don't be intimidated by the name, the Diabetes WALK will be a fun event. It's a family fun event to celebrate your T1D. Reunite with camp friends, make new ones, and enjoy a family day of activities. We will have face painting, activities, and snacks! We also have a very special prize bag for every T1D that attends that day. Our goal is to make sure our T1D heroes feel special and loved. We want them to know they are not alone. Camp is with them all the way!
